

## Working with the Exclusive Builder Team at Bartley Point at Harris Lake

At The Real Estate Company, we are careful to only trust our clients dream home to a select few. That's why the Exclusive Builder Team at Bartley Point has been hand selected based upon their consistent high quality, the way they care for clients, and their character.

When choosing your homesite at Bartley Point, you have two options:

- If available, purchase your own lot.
  - You then can choose between the 4 builders
- Or, work with the builder whose lot you desire.
  - The builder owns the lot. They would then included this in the cost of constructing your home.

### Overview of the Process

After choosing the homesite that matches the setting you desire. A member of The Real Estate Company will then introduce you to the builders. We then recommend interviewing all 4 builders to see who you think you would work best with.

Should you choose a homesite assigned to a builder, we would introduce you to the appropriate builder.

If this all seems confusing, don't worry, The Real Estate Company will be there to support you throughout the process.
